

# **Agenda Item Number 17.A.**

## **Downtown Ducks**

**Presenter:** Michelle Emmons, DEI

**Action Recommended:** None. Information Only

**Background:**

On behalf of the Convention and Visitors Association of Lane County and Downtown Eugene, Inc., Michelle Emmons has asked for five minutes to describe a proposal that would involve any and all of the communities of Lane County outside of Eugene. CVALCO and DEI are suggesting a project by which communities would acquire one or more of the six-foot stylized ducks that have been so popular in Eugene. The concept would involve some cost to the communities, and could generate resources for charity.

No commitment is being sought at this time. Rather, Ms. Emmons will outline the proposal and provide contact names and numbers for later follow-up by interested communities.
