

Agenda Item Number 9. B.

Transportation Planning Responsibilities

Presenter: Byron Vanderpool

Action Recommended: None – Information Only

Background:

At its February meeting, the LCOG Board received a report from MPC Chair Commissioner Bobby Green concerning the MPC's actions to carry out its MPO responsibilities. At that meeting, staff was directed to bring back updates to the Board on MPO progress and issues.

Under this item, staff will present the most recent information on MPO activities, outline key dates and actions, and make recommendations for potential future Board action. Staff will be available to respond to the Board's questions.
