

Agenda Item Number 12.F.

***Regional Trends* Publication**

Presenter: Byron Vanderpool

Action Recommended: None – Information Only

Background:

LCOG Information, Research & Analysis staff have compiled a new publication, “*Regional Trends*.” A copy of this new publication will be provided to you at the meeting.

Regional Trends is intended to be a hardcopy publication and website combination providing statistical information on a wide variety of topics, for use by policy makers, staff, and the public.

The publication will be updated annually, with special quarterly editions available via the web.

Board feedback on other information you would like to see in further editions is welcome.
