

# **LCOG Membership Survey Responses**

---

## **LCOG service areas that you would like to discuss:**

- S&DS – Advocacy: How do we effectively advocate for S&Ds funding?
- Planning Services
- 2050 Planning
- Buildable Lands Inventories
- Transportation Growth Management
- Telecommunications – Let's go wireless!
- Metro TV – use by member agencies for PSAs, training, and public relations

## **Regional and intergovernmental issues that are of interest to you:**

- Cooperation / Coordination among/between jurisdictions
- Inclusion of every member in every regional work product
- Area transportation issues, our TPA & MPO
- Intra-jurisdictional cooperation on service provision
- Water quality of Willamette & McKenzie
- Emergency / disaster response coordination and planning
- Recruitment of next generation of civic leaders and public managers
- Regional transportation other than highway (Is there life other than WEP?)

## **Organizational or membership issues that require attention:**

- MPO delegation – has the MPC taken appropriate action?
- How to attract members who do not attend meetings
- Integration of Managers' agenda with Board agenda
- Attendance at most board meetings by all member organizations
- LCOG staff should not criticize or undermine the operations of member agencies
- Should LCOG staff seek grants which may help one member but hurt another?
- Should LCOG sponsor reports/studies which advocate positions contrary to the interests of some member jurisdictions?
- When should LCOG Board decisions be unanimous?
- What types of projects do LCOG members want staff to pursue? To avoid?
