

# **Agenda Item Number 17.A.**

## **Lane Library League**

**Presenter:** Bill Sullivan, Jennifer Pratt

**Action Recommended:** None. Information and Discussion Only

**Background:**

With the Board's approval, LCOG has served as the financial agent and grant recipient for the Lane Library League (LLL) over the past year. The League is a non-profit corporation, which is still seeking its IRS 501 (c) (3) designation. As a broadly-based citizens' group the LLL is working to provide library service to all unserved residents in Lane County.

As the second year of grant-funded work begins, it is appropriate for the leadership of the LLL to brief the LCOG Board on the progress made. Bill Sullivan, the president of the board, and Jennifer Pratt, the contract staff person for the LLL's efforts, will be present to provide that report and to respond to questions that Board members may have. To prime the pump for that discussion, a one-page "Questions and Answers" document, prepared by the League, is attached.
