

LCOG Public Contracting Regulations

Presenter: Bob Swank

Action Recommended: Approve Resolution 2005-4

Background:

This is the same topic about the update of the LCOG Public Contracting Regulations that the Executive Committee discussed at its last meeting. The LCOG Regulations are based on the Model rules adopted by the Attorney General and a model provided by LCOG Legal Counsel. One change was made to the Regulations since the last meeting. Greg James identified some text in section 8.C(1) Personal Services Contracts that was inconsistent. The text had been added to the model language, so the decision was to simply delete the added language.

The Executive Committee is asked to review the LCOG Public Contracting Regulations, and to identify any additional changes that are needed so that the Committee can recommend adoption of the Regulations to the LCOG Board.

The Regulations, the transmittal memo to the LCOG Board and the findings that support the adoption of the Regulations are all enclosed.
