Board Discussion Topics—2006

Presenter: George Kloeppe

Action Recommended: Accept Executive Committee Recommendation,
Consent Agenda

Background:

At the July Planning Session, the Board identified seven topics of regional significance and asked that the Executive Committee consider them for “special presentations” and discussion during the coming year. The first of these, the County Public Safety Task Force, came before the Board in September with Jim Johnson facilitating the discussion.

In October, the Executive Committee considered the other regional topics, identified by the Board, and made the following assignments:

December 2005	Local Government Finances and Tax Structure
February 2006	Telecommunication, Internet Service to Rural Areas
April 2006	(possibly) Education and Workforce Development or Interchange at the I-5 Crossing of the Willamette
June 2006	Accommodating Growth, Buildable Land & Region 2050
July 2006	2006 Goal Setting Session
September 2006	(possibly) MetroPlan and Intergovernmental Relations or The topic not addressed at the April meeting
