## **Attachment 2: Citizens Advisory Committee Discussions and Actions Concerning RTP Update**

August 2, 2006

Status report and discuss public outreach strategy.

December 6, 2006

Status report. The staff report drew a lot of discussion and interest from the committee. The committee commented that the limited nature of the update did not warrant extensive public outreach.

January 4, 2007

Design a public outreach strategy to recommend to MPC for implementation. The committee was in agreement that the limited nature of the update did not warrant extensive public outreach.

March 7, 2007

Review draft public outreach strategy based on comments made by the committee at previous meetings. The committee reviewed and commented on a rough draft bus poster advertising the update. The committee discussed how to interest the public in this limited scope update.

April 4, 2007

The committee reviewed a revised draft poster advertising the update. The committee reviewed and discussed the proposed modifications to the Oregon Department of Transportation Roadway Project Lists but did not recommend any changes.

May 2, 2007

Status report. Review and discuss proposed changes to project lists.

June 6, 2007

Status report. Review and discuss proposed changes to project lists.

September 19, 2007

Status report and primer.

November 07, 2007

Status report and discussion on public comment received
