

January 2, 2003

To: Metropolitan Policy Committee
From: Tom Schwetz
Subject: Revised Draft Bypass Policy Status

Attached is the revised Bypass Policy, revised to reflect public and Transportation Commission comment. MPC provided written comment in June and staff provided oral comment to OTC in October. The Commission reviewed the public comment and proposed additional changes. These proposals are underlined in the policy or on the attached sheet of additional amendments. The Commissioners reopened the public comment period for written comments and made February 1 the deadline date, anticipating policy adoption at their March 19 meeting.

Action Requested: None. Information only.
