Subject: Item 5.c: Draft FY06-09 Statewide Transportation Improvement Program (STIP)

Action Recommended: None. Information only.

Issue Summary:

The draft FY06-09 STIP was released for public review in October 2004. The Oregon Department of Transportation (ODOT) held a public meeting on the Draft STIP in Springfield on December 1, 2004. As the attached timeline shows, the draft STIP is currently in a review and comment period, through July 2005.

The attached list of projects in Lane County from the draft STIP, drafted prior to October 2004, does not yet fully reflect the Central Lane FY05-07 Metropolitan Transportation Improvement Program (MTIP) adopted by MPC on December 30, 2004. The STIP schedule shows that full incorporation of MTIPs will occur continuously through June 2005.
