Subject: Item 5.c: West Eugene Parkway Collaborative Process Update

**Action Recommended:** None. Information only.

**Discussion**

At the December 8, 2005 MPC meeting, MPC directed staff “to prepare for review at the January 2006 Metropolitan Policy Committee meeting a memorandum on the details of the collaborative process as proposed by the City of Eugene and a motion calling for Metropolitan Policy Committee support and participation in that process.” As part of the consideration of that direction, “Ms. Ban accepted a friendly amendment from Mr. Stewart to include Lane County and any other interested jurisdiction in developing details of the proposal.”

As of the date of this memo, the City of Eugene has not completed preparation of materials related to the proposed West Eugene Parkway collaborative process. As a result, this packet does not contain the requested memorandum or proposed motion. However, the City has indicated that information may be presented at the January 12, 2006 MPC meeting. MPC may at that time choose to consider the materials and take action in support of the process.
