MPC 4B -- Attachment 3 -- Potential ODOT D-STIP Modernization Projects

					D-STIP Eligibility Criteria			D-STIP Prioritization Factors				
Project Name	**Limits**	**Construction Project Description**	**Development STIP Project Description**	**Comments**	**Suppports OTC definition of D-STIP**	**Addresses need in TSP or statewide or federal project**	**Funding adequate to complete D-STIP milestones**	**Level of work is appropriate to achieve developmental milestone**	**Supports OHP Policies**	**One or more development milestones already completed**	**Funding identified for construction**	**Leverages other funds and public benefits**
Beltline Highway	River Road to Delta	Widen to 6 lanes	Facility Plan Completion	Project is on future list in TransPlan, with facility planning study on constrained list.	Y	Y						
Eugene-Springfield Highway (126)	I-5 to Mohawk	Widen to 6 lanes	Environmental Assessment	Project is on future list in TransPlan, with corridor study (I-5 to Main St.) on constrained list.	Y	Y						
Eugene-Springfield Highway (126)	At Q Street/Pioneer Parkway	Interchange improvements	Environmental Assessment	Project is on future list in TransPlan, with corridor study (I-5 to Main St.) on constrained list.	Y	Y						
Eugene-Springfield Highway (126)	At 52nd Street	New interchange to replace at-grade signalized intersection	Environmental Assessment	Project is on future list in TransPlan. A planning-level analysis is included in current study of Eugene-Springfield Highway from 42nd St. to Main St.	Y	Y						
Eugene-Springfield Highway (126)	At Main Street	New interchange to replace at-grade signalized intersection	Environmental Assessment	Project is on future list in TransPlan. A planning-level analysis is included in current study of Eugene-Springfield Highway from 42nd St. to Main St.	Y	Y						
Franklin Blvd.	Jenkins Dr. to Mill Street	Urban standards improvements & intersection improvements	Environmental Assessment	Project is on future list in TransPlan. Recent planning work completed as part of nodal development planning in Glenwood.	Y	Y						
Interstate 5	At Coburg interchange	Reconstruct interchange	Environmental Assessment	This project is not in TransPlan but is now within the TMA boundary and is in the Coburg TSP. An interchange refinement plan has been developed.	Y	Y						
Interstate 5	At Franklin Blvd. and Glenwood Interchange	Construct new interchange(s)	Environmental Impact Statement	Project is on future list in TransPlan. Project is under consideration in conjunction with Willamette River bridge replacement project. I-5 interchange study is on TransPlan constrained list.	Y	Y						
Interstate 5 Interchange Study	Willamette River to 30th Avenue	Facility Plan Study to determine needed improvements	Refinement Plan Completion	This study is on the TransPlan constrained list. It would address the interchanges and on-off ramps at Franklin, Glenwood and 30th Avenue.	Y	Y						
Interstate 5	At 30th/McVay Highway	Reconstruct interchange	Further Development Work Not Needed at This Time	Project is on future list in TransPlan. I-5 interchange study in on TransPlan constrained list.	NA	NA	NA	NA	NA	NA	NA	NA
Interstate 5	I-105 to Highway 58	Widen to 6 lanes	Further Development Work Not Needed at This Time	Project is on future list in TransPlan. I-5 interchange study in on TransPlan constrained list.	NA	NA	NA	NA	NA	NA	NA	NA
Interstate 105	Delta Highway to Coburg Road	Widen to 6 lanes	Further Development Work Not Needed at This Time	Project is on future list in TransPlan.	NA	NA	NA	NA	NA	NA	NA	NA
Interstate 105	Coburg Road to Interstate 5	Widen to 6 lanes	Further Development Work Not Needed at This Time	Project is on future list in TransPlan.	NA	NA	NA	NA	NA	NA	NA	NA
