

February 28, 2007

To: Metropolitan Policy Committee
From: Susan Payne
Subject: Item 4.g.1.i: ODOT Update

Action Recommended: None. For information only.

At the February 8 MPC meeting, members requested access to the testimony provided by ODOT to the Oregon Legislature during the current session. Images of the I-5/Beltline project were also requested.

ODOT Testimony to Oregon Legislature

ODOT Area 5 manager, Jane Lee, has arranged for the ODOT briefs to be posted to the web. The information is located on Region 2 Area 5 Project Delivery web page:

http://www.oregon.gov/ODOT/HWY/REGION2PD/Area5_Information.shtml

Click on the link entitled "**Additional Information and Links.**" This takes you to a listing of the briefings which can be downloaded or read on-line.

Your attention is drawn to the following presentations made on the listed dates::

Road User Fee Program and Status Report --- January 17
ODOT Overview to Ways and Means Subcommittee -- January 22
Connect Oregon II -- January 29, February 7
Photo Red Light Program -- February 7
Tolling Roads and Bridges -- February 14

I-5/Beltline Interchange Project Photographs

Photorealistic images of the I-5 Beltline project flyover and the Pedestrian/Bike bridge can also be found on the web. The web address is:
