Subject: Item 4.g.1.ii: MTIP Administrative Amendments

**Action Recommended:** None. Information only.

## **Issue Summary**

At the December 30, 2004 MPC meeting, MPC adopted the FY2005-07 Central Lane Metropolitan Transportation Improvement Program (MTIP). The MTIP lists transportation projects using federal funds programmed for fiscal years 2005-2007. The MTIP also lists all non-federal funding sources for individual projects.

As adopted by MPC, the MTIP outlines the conditions under which TPC may make administrative amendments to the MTIP. Language from the MTIP reads as follows:

“TPC may make specific changes determined to be administrative in nature.

These include:

1. Deletions of local projects which are provided for information purposes,
2. Moving projects from one year to another year in the MTIP period or
3. Minor cost estimate revisions that do not affect financial constraint of the MTIP or the MTIP's air quality conformity.”

Administrative amendments are to be formally acted upon by TPC and reported to MPC.

Most recently, MPO staff developed one MTIP administrative amendment to amend twenty-eight project names to conform to the newly promulgated Oregon Department of Transportation (ODOT) naming convention. In addition, the Lane Transit District (LTD) requested four administrative amendments to the MTIP to update the financial information on four previously-approved projects in order to satisfy the Federal Transit Administration's (FTA's) requirement that the project be present in the STIP in the year in which grant reimbursement is requested.

TPC acted unanimously on March 31, 2005 to adopt the five administrative amendments to the MTIP listed above.
