Discussion

On April 27, 2006 TPC unanimously approved one administrative amendment to the FY05-07 MTIP, related to LTD's *Regional TDM Program (2006)* project. This amendment made a minor change in the source of federal funds substituting \$99.6K in State STP funds for MPO STP-U funds in order to correct an accounting error. This amendment has no effect on the timing of the project or on the match required from LTD.

Details on the amendments are posted on the internet at
<http://www.lcog.org/meetings/tpc.html>.

Staff will be available at the May 11th MPC meeting to answer questions regarding the amendment if needed.
