Subject: Item 4.f.1.i: Report from Region 2 STIP/OTIA III Meeting

Action Recommended: None. Information only.

Issue Summary

At the April 8, 2004 MPC meeting MPC approved the MPO's priorities for projects on the state system to forward for potential STIP and OTIA III funding. Shortly after that the Lane County Board of Commissioners approved a county-wide list of priorities. At the ODOT Region 2 all-area meeting on May 14, Commissioner Green presented the MPO's and County's priorities for funding consideration.

The all-area meeting resulted in funding decisions that included four Lane County projects. Projects receiving funding include:

OR69: Beltline Hwy @ Coburg Rd. (Eugene).....	\$4.1 M
West Eugene Parkway Wetland Banking.....	\$1.0 M
I-5 Beltline Interchange (Eugene/Springfield).....	\$7.8 M
Beltline, River Road to Coburg Rd./Facility Plan.....	\$1.0 M
Total.....	\$13.9 M

The funding recommendations will now move to the Oregon Transportation Commission for consideration for inclusion in the draft FY2006-2009 STIP.
