Discussion

At its June 22 meeting, the LCOG Board, acting under its authority as the designated MPO, authorized a letter be sent to the MPC expressing the LCOG Board's concern over lack of passage of an FY 06-09 MTIP.

The letter requests MPC do two things:

1. Pass an FY 06-09 MTIP at its July 13 meeting, and
2. By its January 2007 meeting, adopt a dispute resolution procedure which ensures MPO responsibilities will be met.

Staff will be available to answer questions about the LCOG Board's deliberations.
