

August 6, 2008

To: Metropolitan Policy Committee
From: Andrea Riner, Transportation Planning Manager
Subject: Item 5.g: Discussion of Regional Plans

Action Recommended: None. Information and discussion only

Background

At the July MPC meeting some members requested a future agenda item on the “one plan/two plans” issue. Others indicated they were not interested in further discussion on this topic. Staff seeks direction as to whether the MPC would like to place this item on an upcoming MPC agenda.

Options

MPC can choose to:

- Place this on an upcoming MPC agenda; or
- Table this topic until after the long range work plan has been developed and further information can be provided about local and regional TSP processes.

Attachments

None. Materials from previous meetings on this topic can be found at –
