

September 5, 2007

To: Metropolitan Policy Committee
From: Byron Vanderpool
Subject: Item 4.d: OMPOC Legislative Policy Concepts and Objectives

Action Requested: Provide guidance to staff.

Background

At the May 4 OMPOC meeting, each MPO was asked to review the draft OMPOC Legislative Policy Concepts and Objectives document. This is in preparation for OMPOC's business meeting on October 12.

A copy of the first draft of the document was included in MPC's June 14, 2007 agenda packet. At that meeting, as noted in the minutes, it was suggested that each jurisdiction take the document back to its respective legislative committee for feedback.

Discussion

Attached to this memo is the second draft of the document, received on August 27 and showing suggested revisions to date from OMPOC (these suggested revisions have not arisen from any Central Lane MPO input to date).

Staff is seeking guidance from MPC in preparing feedback on the second draft of the Legislative Policy Concepts and Objectives document. Based on that feedback, staff will prepare a response document and bring it to MPC for approval at its October meeting.
