

**Public Safety Coordinating Council  
Comprehensive Approaches to Sex Offender Management  
Technical Assistance Program**

**Vision**

We will live in a safe community supported by a safety and justice system that works together to focus on prevention and restoration while balancing intervention and enforcement. The system will be built on a solid foundation of constitutional principles, statutory laws, and community values which honor and promote personal responsibility, family and neighborhood involvement, and trust among people and institutions

**Goal I**

Have a system in place that monitors, evaluates, and recommends improvements for the effectiveness of the community safety system.

**Goal II**

Review governance models and make recommendations that match delegated duties and support cooperative approaches to community safety.

**Goal III**

Have a continuum of services and sanctions in place based on proven best practices that promote community safety.
