

## **RECOMMENDATION for COMMUNITY CORRECTIONS PLAN DEVELOPMENT and APPROVAL**

### **Plan Development**

It is recommended that the Supervisory Authority Team (SAT) develop a *proposed* community corrections plan for review by the PSCC Community Corrections Committee (CCC). The criteria for the plan will be in accordance with ORS 423.505 which identifies the purpose for the community corrections funds. They are intended to:

1. Provide appropriate sentencing and sanctioning options including incarceration, community supervision and other services;
2. Provide improved local services for persons charged with criminal offenses with the goal of reducing the occurrence of repeat criminal offenses;
3. Promote local control and management of community corrections programs;
4. Promote the use of the most effective criminal sanctions necessary to protect public safety, administer punishment to the offender and rehabilitate the offender;
5. Enhance, increase and support the state and county partnership in the management of offenders; and
6. Enhance, increase and encourage a greater role for local government and the local criminal justice system in the planning and implementation of local public safety policies.

### **Plan Approval**

The SAT presents their plan to the CCC for comment and recommendation.

The plan proposed by the SAT, accompanied by the CCC recommendation, is forwarded to the PSCC Policy Committee with final review and recommendation by the Public Safety Coordinating Council (PSCC).

The Board of County Commissioners (BCC) receives the PSCC recommendation, along with the original plan and any revisions recommended by the CCC and/or the PSCC. The BCC approves or revises the plan and makes their recommendation to the State Department of Corrections.
