Re: October Meeting

We have a full agenda for our next meeting and I look forward to the discussion. Your meeting packet will arrive in the next few days. One of the agenda items is the discussion of a work plan for your committee's accomplishments in the coming year. I have attached the PSCC 2002-2003 goals that relate to the public safety. Several issues are included that are expected to be accomplished.

Additionally, the PSCC has asked all the standing committees to complete benchmarks and indicators relating to the criminal justice system. We will have assistance in this process and it should fit well into the work plan.

Please bring any other topics and issues of interest to bring to the committee for discussion for possible inclusion in the work plan. Ideas for system improvement and cooperation among the law enforcement agencies in the County are welcome and would contribute to the goal of the committee. Also, any new practices, programs or equipment that you may have learned of would be welcome for potential presentations to the group in the future.

Please let me know if I can be of any service to research or gather information in preparation for the meeting.
